

Level 4 Lead Practitioner in Adult Care Apprenticeship

The **Lead Practitioner in Adult Care** will guide and inspire team members to make positive differences to someone's life when they are faced with physical, practical, social, emotional, psychological or intellectual challenges.

A Lead Practitioner has:

- Achieved a level of self-development to be recognised as a lead practitioner within the care team contributing to, promoting and sustaining a values-based culture at an operational level.
- A greater depth of knowledge and expertise of conditions being experienced by the user of services
- Specialist skills and knowledge in their area of responsibilities which will allow them to lead in areas such as care needs assessment, occupational therapy, physiotherapy, rehabilitation and enablement, telecare and assistive technology.

They will coach and mentor others and assess performance and quality of care delivery. They may work in residential or nursing homes, domiciliary care, day centres, a person's own home or some clinical healthcare settings. This standard also covers Lead Personal Assistants who can work at this senior level.

What will you gain:

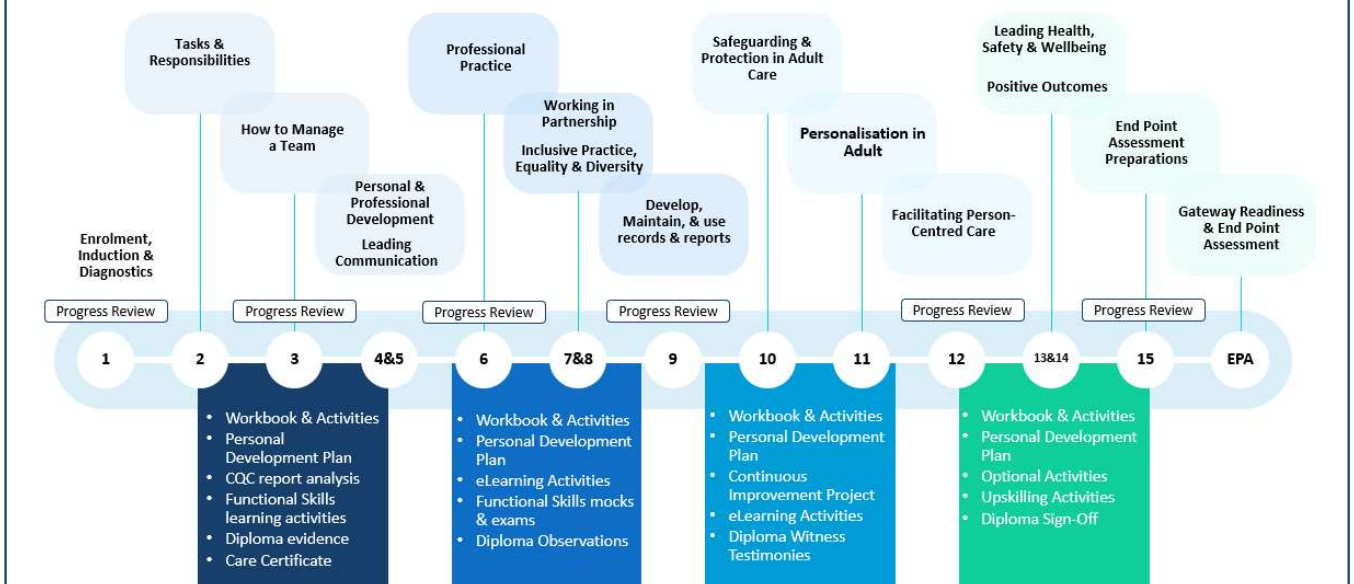

- Level 4 Lead Practitioner in Adult Care Standard
- Level 2 Functional Skills in English
- Level 2 Functional Skills in Maths
- Level 4 Diploma in Care (RQF)
