Off-the-job training: steps to help you determine whether an activity counts as off-the-job training

Key facts

1

Off-the-job training must make up at least 20% of the apprentice's normal working hours (working hours capped at 30 hours a week for funding purposes only). For a full-time apprentice, this is an average of 6 hours a week over the planned duration of the apprenticeship.

Feedback on your Apprenticeship

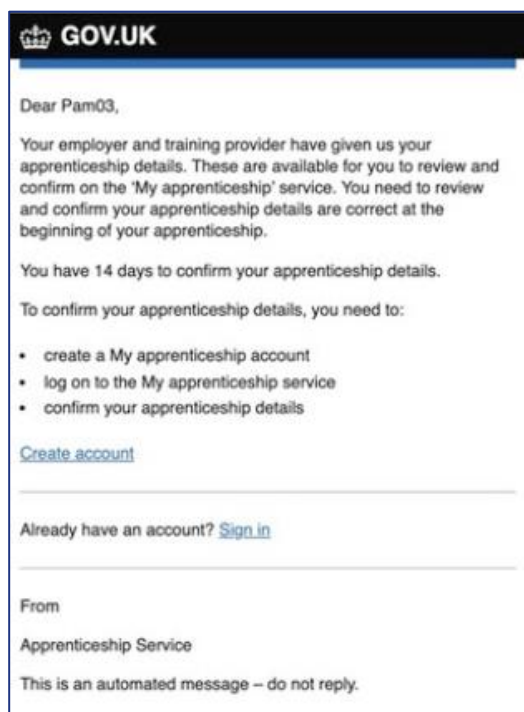

We are committed to providing an inspirational educational experience for our learners. As part of that experience, we believe in the active involvement of learners to shape the future of Ensis, and to improve your own learning experiences.

The learner voice is vital in enabling us to make decisions that will lead to the most effective development of the teaching, learning and other services provided to the learner. As such you will be asked to complete a learner survey at different stages of your learner journey. Feedback can bring about an immediate change, or it will trigger or support a change which takes longer to implement. Either way, we value all feedback. You have an integral role in the system for maintaining and improving the quality of our courses.

Ensis listens very carefully to learner feedback and tries to respond to it in a way that will make a real difference to current and future learners.

We will get feedback on the quality of your learning journey, the quality of provision and the impact of the new knowledge, skills, and behaviours you have learned on your Apprenticeship.

External Agency Feedback

As we are a higher education provider we are governed by the Department of Education, in particular the ESFA and Ofsted.

As part of their feedback requirements, they will ask you to register your apprenticeship, however this is not mandatory. Once we have registered your unique email address you will receive an email as shown, more information can be found [here](#).

You can give feedback on your apprenticeship using this website, we have written the survey link into your learning plan: [Sign in to My apprenticeship \(education.gov.uk\)](#)

You may also be asked for feedback from the ESFA or Ofsted if you are a learner with us at time of an audit or inspection.

If you want to give further independent feedback about your apprenticeship with us you can do so here: [Apprenticeships, School Leaver Jobs & Reviews](#) | [RateMyApprenticeship](#)
